Mr. Petrosino,

On behalf of the YMCA Phoenix School I would like to thank you for providing The Level 3 Soft Hands Training for our staff. I feel our staff learned a great deal that day and appear to be very confident going in to this school year.

What I have noticed is not only an increased confidence, but a staff that appears to be very competent as the set up their classrooms and that look of worry or anxiety that I have noticed in the past is no longer present.

I would strongly recommend your training for both school and detention center staff as I feel this would make working with difficult youth more relaxing as your confidence increases when you feel prepared for the violent outbursts that arise from time to time.

Once again I would like to thank you and I look forward to working with you again sometime in the near future.

Sincerely,

Tony Grimes
Vice President of Community Development
